

April 20, 2015

Dear incoming JV,

On behalf of the staff of Jesuit Volunteer Corps (JVC), **WELCOME** to the International Program of JVC! We are thrilled to affirm your placement as a JV in the Class of 2015, serving overseas from 2015-2017.

We are grateful for your enthusiasm and commitment to JVC. As staff members, we look forward to the opportunity to walk with you on this journey. Becoming a JV is a long process of reflection, discernment, prayer, and decision over several months. In the days ahead, amid the excitement and busyness of upcoming transitions, we encourage you return to those prayer and reflection practices that kept you grounded throughout your application and discernment process. It is truly a gift to be invited to walk with and among the Jesuits and the host cultures of each country where JVs serve. So, it is with great humility that you are called by God to continually ready yourself to take off your shoes and be transformed by those who will receive you overseas.

Enclosed in this mailer you will find information about a myriad of topics. **Please review all information carefully as some requires your action before certain deadlines.** In June, you will receive a second mailed packet with more specific information pertinent to Orientation, as well as information on health insurance and your country of placement.

Orientation is scheduled from **July 8, 2014 through July 23, 2014 at Scranton University in Scranton, PA.** **We ask that you please arrange your own transportation to Orientation.** Whether you are flying, taking a bus or train, or arriving by car, we will provide all of the information you need to get to Orientation. So that we may better assist you in your travel arrangements to/from Scranton, we will be sending you detailed information with all the specifics in a future email communication. JVs serving in Belize and the Federated States of Micronesia will depart directly from Orientation for their host countries; the JVC office will book this travel for JVs and send them confirmation once this is completed.

If you have any questions or concerns at any time, please feel free to contact the International Program office at 202-568-6748 or email our international team at intlstaff@jesuitvolunteers.org.

Finally, we want to reiterate how excited we are to have you as one of our newest Jesuit Volunteers and that you have said **YES** to God's call to service as a JV overseas. Please know you will be in our prayers in these months before orientation and before your departure.

In peace,

Liz Hughes, Pat Cassidy, Billy Hood, Paige Katzfey, and Shelby Christopher,
the Staff of JVC's International Program
