

THE PROCESS OF INTERNATIONAL SERVICE

The preparation and process is framed in the context of a particular *Mission Vision, Response, Specific Criteria and Expectations*. It is critical that open and honest communication be maintained among the volunteer, sending and receiving groups.

IT IS A RELATIONSHIP BETWEEN:

- ◆ Volunteer
- ◆ Sending Organization, family, etc.
- ◆ Receiving Group

The roles of these groups are reversed at the end of this international service

THE APPROACH IS:

- ◆ Holistic
 - psychological/emotional
 - physical
 - spiritual
 - socio-economic
 - ideological
 - cultural dimensions
- ◆ Integrated and Futuristic
