*\*\* Please follow these directions, as we have found Mapquest/Google Map directions do not provide an easy or reliable way to get to the camp.\*\**

### From the north through Indianapolis:

- **Take I-465 to State Road (SR) 37 South** toward Bloomington. Just north of Martinsville, turn left (east) on SR 252 to Morgantown.
- **In Morgantown**, at the stop sign, turn right (south) on SR 135. Follow SR 135 to Beanblossom.
- **In Beanblossom**, just past the McDonald's and Shopworth grocery store, turn right on SR 45.
- **Follow SR 45** to the stop sign at the railroad tracks. Turn left at the stop sign and continue to follow SR 45 through Helmsburg.
- **About two miles past Helmsburg**, SR 45 makes a sharp left curve. At that curve, look for the Waycross sign and turn right onto Branstetter Road.
- **Follow Branstetter Road** about one-fourth mile to a stop sign at Bear Creek Road. Go straight at the stop sign onto Bear Creek Road.
- **Follow Bear Creek Road** about three miles to Waycross (part of it is gravel). Landmarks include Lutheran Hills Camp on the right and then the entrance to Dudley Gallahue Valley Camp on the left.
- **When you arrive at Waycross**, follow the signs to the **CAMP**, where JVC will have a welcome table.

### From the southwest through Evansville and Bloomington:

- **Take State Road (SR) 57** from Evansville northeast to Washington and turn right (east) on U.S. Highway 50.
- **Follow U.S. 50 going toward Bedford**. Just before Bedford, U.S. 50 becomes a four-lane highway and also is joined by SR 37.
- **Before Bedford**, take the SR 37 North exit toward Bloomington and Indianapolis.
- **Follow SR 37** to Bloomington.
- **Turn right on SR 46** (the last Bloomington exit) and follow SR 46 around Bloomington to SR 45 North. (The first time you see a sign for SR 45 will be while you are still on SR 37 — don't take that exit.)
- **Turn left onto SR 45 North** and follow it to Trevlac.
- **At the sharp right curve in Trevlac**, turn left (it's more like going straight instead of taking the curve) and drive up over the railroad tracks.
- **Just over the railroad tracks**, the road curves left and then a short distance further, North Shore Drive turns to the left and Bear Creek Road goes straight.
- **Stay straight on Bear Creek Road**. Directional signs in the area point the way to Waycross. The signs for Lutheran Hills Camp, Walnut Hills Retreat, and Gallahue Girl Scout Camp also point in the right direction.
- **Follow Bear Creek Road** to the first stop sign at Branstetter Road, then go left following Bear Creek Road.
- **Follow Bear Creek Road** about three miles to Waycross (part of it is gravel). Landmarks include Lutheran Hills Camp on the right and then the entrance to Dudley Gallahue Valley Camp on the left.
- **When you arrive at Waycross**, follow the signs to the **CAMP**, where JVC will have a welcome table.
