DARE TO CHANGE

CAMPUS COLLABORATION

Collaboration redefines our collective purpose in the work we do as recruiters, believers, and people.

JESUIT VOLUNTEER CORPS

DARE TO CHANGE

SHARED VISION

In a culture that values what people have over who they are, JVC is an opportunity to commit to the dignity and well-being of others.

Nearly 300 young people who serve as Jesuit Volunteers each year experience this, and the same can be said for our recruiting work.

JESUIT VOLUNTEER CORPS

DARE TO CHANGE

Over the next three years, JVC desires to re-commit to the dignity and well-being of others in the way we enter our collaborative work on-campus.

RECRUITING VISION

MAINTAINING RELATIONSHIPS

Events, gatherings, dialogues, and trainings that encourage student growth while introducing them to JVC.

1

Resolute investment in the relationships that have proven life-giving, at universities and colleges across the country.

2

EMERGING COLLABORATION

Sustained collaboration that furthers our shared mission and ignites passion in spirituality, community, simple living, and social justice.

3

ASPIRING TO MUTUALITY

BEYOND

Relationships where campus contacts ask questions, affirm, and challenge JVC. In turn, JVC grows the capacity for bold transformation in young people on-campus.
