JESUIT VOLUNTEER CORPS  
FY 2019/20  
ANNUAL REPORT

## MESSAGE FROM LEADERSHIP

Dear JVC Community Member,

**L**AST SPRING, THE COVID-19 PANDEMIC upended all of our lives changing the way we communicate and interact with each other. JVC was challenged to be agile in a time of great uncertainty. Our first priority was the safety and well-being of our JVs and staff. Staff and leadership thoughtfully evaluated risks and worked tirelessly with our partners to bring our international volunteers home. We pivoted to a virtual environment for orientation and formation retreats, our placement agencies accommodated COVID-19 in their work/service arrangements, we downsized our office footprint and successfully applied for the relief funding provided by the CARE act to retain staff. The year was spent testing our agility and creativity.

**Through all of this, young people continued to apply to be of service! JVC had a waiting list of volunteers for the first time in close to a decade and 200+ volunteers committed to demonstrate their faith in action.**

With the restructuring of our team over the past few years, our hiring process prioritized skills and experience over physical location. This has built a strong team while increasing the capacity for remote work across time zones. Our programming shifted to a hybrid-model creating virtual spaces and new ways of JVs relating to each other. We welcomed a new slate of members to the JVC Board of Directors via Zoom and their guidance helped us navigate some challenging situations. JVC staff and Board confronted the question of “how we run JVC in this COVID-19 environment?”

Our Recruiting team attended virtual career fairs and conducted zoom campus visits to create a personalized approach to accompanying prospective JVs. We built better systems to track juniors and incoming seniors, enabling us to circle back to remind them to keep JVC as an option for their post-graduate choices. Former Jesuit Volunteers from our International Program recorded videos to send well wishes and provide comfort to the JVs who returned early from their in-country placements and staff ran a series of guided reflections and space for processing their experience. Our Communications team created and hosted a series of virtual Masses and JVC Community Conversations welcoming hundreds of participants.

In the midst of this, we acknowledged the need to look internally at resources required to strengthen our commitment to becoming an anti-racist organization. We began laying the groundwork to embed this effort in our policies, practices and programs.

Our donors showed up in profound and moving ways. We saw an increased interest in planned gifts and bequests to JVC. Board participation reached 100% with increases in their annual gifts. The positive response to our *Power of the Pledge* campaign will build resiliency in our formation program for years to come. Your generosity in paving the way for the future generations of volunteers is a powerful testimony to the commitment of our JVC Community.

Thank you to all our JVC friends, donors, JVs, Former JVs, staff and Board who helped make 2019-20 a year to be remembered!

# POWER OF THE PLEDGE

JVC LAUNCHED A THREE-YEAR PLEDGE CAMPAIGN IN THE SPRING OF 2020, and we are so grateful to those who answered the call.

Thank you to our donors. Your commitment to *Power of the Pledge* represents more than just a financial resource. It represents shared values, shared vision and shared accomplishments. Because of you, even during these unsettling times, JVC continues to ‘do what we are doing.’

- Offering young people the opportunity to accompany those most marginalized in our society and in that journey, discover the resiliency of their souls and spirit.
- Allowing them to intentionally explore their faith.
- Opening their minds to the potential for creative solutions.
- Encouraging them to aspire to living their lives to the very edges of their possibilities.

Your pledge demonstrates a strong commitment to JVC, and your promise makes us stronger.

When asked for a quote, one of our lead donors, BJ Cassin, wrote back, “Obsecro auxilium JVC!”

If you would like to join *Power of the Pledge* to secure funding for the JVC Formation Program, please contact Karen Griffin:

## GENEROSITY IN THE TIME OF COVID: WHY I GIVE TO JVC

### “ MY JVC YEAR AT FRIENDSHIP PARK LOAVES & FISHES from 2003

to 2004 is one of the greatest years of my life, from a growth, spirituality, world understanding and connection standpoint. Eighteen years later, I remain close with my housemates, despite us living spread out all over the country. We text, email and Zoom often. And when we can, we meet for in-person visits.

My JVC experience, in a big way, shaped the adult I became. It certainly impacted the way I forever look at people experiencing homelessness, addiction and mental health crises. And it greatly influenced my appreciation for the power of community. I hope that all JVs experience and recognize the impact of their own journey. When I reflected back on what an incredible and lasting impact JVC has had on my life, I realized I wanted to help support that experience for the next generation of JVs.”

I HAVE ALSO BEEN VOLUNTEERING WEEKLY WITH A MUTUAL AID NETWORK IN MY OLD JVC NEIGHBORHOOD. IT'S BEEN A GREAT WAY TO SHOW MY GRATITUDE FOR THE FOLKS WHO WELCOMED ME INTO THEIR COMMUNITY LAST YEAR, AND NOT TO MENTION, A WAY TO RECONNECT WITH FRIENDS FROM MY JVC YEAR THAT I HAVEN'T SEEN BECAUSE OF COVID.

As we begin the day, we gradually acknowledge all the chaos that the day could bring, but in our own way, this is our benediction.

A daily commitment that we will begin the journey of the day together. An act of praise to be alive and healthy. A request to the divine that we will have the strength to make it through all the challenges we might face, and a prayer that we will all be back for dinner.

# NEW GIVING INITIATIVE

Our new initiative offers you, the donor, more ways to think about your giving and is transparent because it now makes your giving history and information on file accessible to you whenever you want it.

We would like this to be a powerful, positive and engaging experience for you.
