

JVC CONNECTIONS

SPECIAL EDITION: FY22/23 ANNUAL REPORT

Happy 2024 from JVC!

A Message from JVC Staff

Blessings and Happy New Year!

In this special issue of Connections, we offer some quick updates and connections from the JVC community, and dedicate the heart of this issue to share milestones and impact from our 2022-23 cohort year.

We hope you don't read this Impact Report as just a summary of activities, but as a celebration of the meaningful change made possible by incredible young people who commit to and embody the spirit of service, accompaniment, and justice.

May this issue of Connections inspire, uplift, and ignite our shared journey of being forever changed.

Spotlight: Humans of JVC

In early December 2023, JVC launched its inaugural storytelling series, **Humans of JVC (HOJVC)**, a photoblog highlighting the inspiration and transformation of those touched by JVC. We are kicking off the first phase of this series with stories from our current cohort of JVs, chronicling their journey of being forever changed.

Be sure to follow **Humans of JVC** on both JVC Instagram (@jvcnation) and JVC Facebook (jesuitvolunteercorps). Click the social media icons below to **connect to these stories** and more!

Living the JVC Values

Congratulations to FJV Michele Johnson (Buffalo, NY 1990-91)

Michele Johnson, FJV and co-founder of JVC agency partner, Tennessee Justice Center (TJC), recently received the Nashville Bar Association John C. Tune Award. This is the bar association's highest honor and is awarded to a member who has shown the highest degree of dedication to the betterment of the community.

For over 10 years, Michele has invested in the journey of JVs serving at TJC. We are grateful for her partnership and inspired by her capacity and commitment to justice.

Read more about Michele's well-deserved honor [here](#).

“This award is so moving because it's a celebration of my courageous colleagues, my righteous clients, and my extraordinary family.”

Water Cooler: News & Connections

An Unexpected But Welcome Connection

We wanted to share this picture taken last fall in Shreveport, LA. All of us were attending an annual meeting as providers of technical assistance and evaluation supporting the implementation of a community systems change effort in communities across the country. Though we've collaborated in this work, mostly remotely, for many years (over 12 years for Sarah and Margaret, six for Mary Lisa), we just discovered a week ago that all three of us are former Jesuit Volunteers! Two of us even served in the same year, albeit in different cities and regions.

We agree that the spirit of JVC is alive and well in the work that each one of us does and that we do together. Proof positive that we were and remain "ruined for life!"

Picture from 11/16/23, from Left to Right: Mary Lisa Penilla, Cleveland, OH (Midwest), 1994-1995; Sarah Meyer Chilenski, Oakland, CA (Southwest), 1997-1998, and Margaret Flynn-Khan, Dallas, TX (South), 1994-1995

The Gift of Giving Back: Re-Orientation

FJV Alex Quiros (McAllen, TX 1999-00) will be holding space this month for our JVs at their mid-year retreat, as they explore and reflect upon the roots of injustice.

"Volunteering with the JVC Re-O retreat helps me make a big impact with only a small time investment. It helps me feel like I'm truly leaving the world a better place for others."

ICYMI: Celebrating Local Formation Teams

In case you missed our Giving Tuesday tribute celebrating the generosity of our Local Formation Teams (LFTs), we compiled a digital e-book with personal reflections and photos from LFT support members, past and present. Our hope is to keep growing this tribute book and continue shining a light on the generosity of our LFTs!
